| Japan                          | 57 |
| South Korea                    | 59 |

## Outlook for pump markets continued

|                      |    |
|----------------------|----|
| India                | 61 |
| Singapore            | 63 |
| Middle East & Africa | 64 |

## Economic background

|                |     |
|----------------|-----|
| US             | 66  |
| Canada         | 69  |
| Mexico         | 72  |
| Brazil         | 73  |
| Germany        | 74  |
| France         | 77  |
| Italy          | 80  |
| UK             | 83  |
| Norway         | 86  |
| Austria        | 89  |
| Belgium        | 90  |
| Czech Republic | 91  |
| Denmark        | 92  |
| Hungary        | 93  |
| Netherlands    | 94  |
| Poland         | 95  |
| Spain          | 96  |
| Sweden         | 97  |
| China          | 98  |
| Japan          | 101 |
| South Korea    | 104 |
| India          | 107 |
| Singapore      | 110 |
| Saudi Arabia   | 111 |
| UAE            | 112 |

## Appendices

|                  |     |
